

## Doesn't Mean I'm Wrong

Poppy

I can barely keep my head above the water  
Sometimes I listen to my mother  
I spent my last 5 dollars  
On gasoline for a ride to your house

Oh oh oh...

Series of unfortunate  
Events prevents the senses  
From feeling defenseless, oh  
I stumble and still I soldier on  
'Cause it doesn't have to mean that I'm wrong

It's exactly precisely unexpected  
Hit the nail right on the head now I'm connected  
I am so blindly corrected  
No one's home so looks like I missed out

Oh oh oh...

Series of unfortunate  
Events prevents the senses  
From feeling defenseless, oh  
I stumble and still I soldier on  
'Cause it doesn't have to mean that I'm wrong
