

# Eat The Hate

Poppy

Eat the hate and drink their blood  
You're dying as a never was  
It's when, not if, I catch you fucking up  
Eat the hate 'cause I'm the judge  
God will throw an uppercut  
You're celibate 'cause no one wants to fuck

Bang, bang, bang

I'll eat the hate  
I'll eat the hate  
I'll eat the hate  
'Cause you'll complain  
Either way  
So eat the hate

Eat the hate, it makes me cum  
Use your tongue to clean it up  
Anonymous and hiding from my gun

Bang, bang, bang  
What?

It's always gotta come to this  
A petty nerd and a hypocrite  
The world's still gonna turn around  
If you're here or there or dead or found

I'll eat the hate  
I'll eat the hate  
I'll eat the hate  
'Cause you'll complain  
You'll complain  
Either way  
Either way  
So eat the hate
