

Everybody Wants To Be Poppy

Poppy

Everybody wants to be Poppy Poppy
Everybody wants to be

All the people all around want to know
What to look like, what to think, where to go
But I don't know, I don't know
I don't know what to think anymore, no

I'm not here to tell you, what to say or be
Why is everybody just like me
I don't know who to belong to
I'm just a princess with a pistol

Everybody wants to be Poppy Poppy
Everybody wants to be
Everybody wants to be Poppy Poppy
Everybody wants to be someone else

I'm not here to tell you, what to say or be
Why does everybody look like me

Everybody wants to be Poppy Poppy
Everybody wants to be
Everybody wants to be Poppy Poppy
Everybody wants to be me

I'm not here to tell you, what to say or be
Why is everybody just like me

Cause I don't have all the answers but what I say is true
All you need to do is just be you
