

EXPLODE!

Poppy

(If something should happen
Don't you be afraid)

Follow me down to a place where nobody has dared to go
You can fly there and I can direct
I know the way, just take it slow

Do you ever get the feeling
Something is creeping up behind you? (Yeah!)
Right now I'm on the edge of my seat
And I just don't care anymore

Ooh-ooh, tomorrow
Ooh-ooh, I'm a dead man
Ooh-ooh, but right now
I'm counting down 'til I explode (Three, two, one)

Can you taste it? And are you wasted?
Eyes roll to the back of your skull
All my friends said "Poppy's a lightweight" (Poppy's a lightweight)
But I told them where they could go

Do you ever get the feeling
Something is creeping up behind you? (Hell yeah!)
Right now I'm on the edge of my seat
And I just don't care anymore

Ooh-ooh, tomorrow
Ooh-ooh, I'm a dead man
Ooh-ooh, but right now
I'm counting down 'til I explode (Three, two, one)

(All engines running)
(Lift off, we have a lift off)
Ooh, la-la-la, ooh, ooh
Ooh, la-la-la, ooh, ooh
(Four, three, two, one)

Ooh-ooh, tomorrow
Ooh-ooh, I'm a dead man
Ooh-ooh, but right now
I'm counting down 'til I
Ooh-ooh, tomorrow
Ooh-ooh, I'm a dead man
Ooh-ooh, but right now
I'm counting down 'til I explode
