

# Good To Me

Poppy

It's not what you say it's  
What you, what you do to me  
(What you do to me)  
Pushin' all my buttons 'til there's  
Nothing left in me  
(Nothing left in me)  
Tangled up with you I can't be  
Thinking really  
(Thinking really)  
Takin' little pieces with you, but you can't own me

I'm not in the game of makin' enemies  
So baby all you have to do is be good to me  
Ya know I always play for keeps  
So baby all you have to do is be good to me

Be good to me  
Be good to me  
Baby all you have to do is be good to me  
Be good to me  
Be good to me  
Baby all you have to do is be good to me

Tug-o'-war inside my own heart  
Pushin' or pull me, pushin' or pull me  
Swimmin' through my thoughts I'm drowning  
Will you save me?  
(Will you save me?)  
With my eyes I ask you to stay  
Right here with me  
(Right here with me)  
Runnin' 'round your head I will be  
When you chase me  
(When you chase me)

I'm not in the game of makin' enemies  
So baby all you have to do is be good to me  
Ya know I always play for keeps  
So baby all you have to do is be good to me

Be good to me  
Be good to me  
Baby all you have to do is be good to me  
Be good to me  
Be good to me  
Baby all you have to do is be good to me

All you have to do  
All you have to do  
All you have to do  
(Do-do-do-do)  
All you have to do  
All you have to do  
All you have to do  
Is be good to me

I'm not in the game of makin' enemies

So baby all you have to do is be good to me  
Be good to me

I'm not in the game of makin' enemies  
So baby all you have to do is be good to me  
Ya know I always play for keeps  
So baby all you have to do is be good to me

Be good to me  
Be good to me  
Baby all you have to do is be good to me  
Be good to me  
Be good to me  
Baby all you have to do is be good to me
