

Switch

Poppy

I'm watching and I'm scratching for the switch
But I can't turn it off
It hurts me more than I want to admit
'Cause that's not what I want

I can't control it
I can't control it
It keeps on going

I'm stupid and I'm selfish, I'm a bitch
And I can't turn it off

And I don't know what he wants

I can't control it
I can't control it
It keeps on going

I can't control it
I can't control it
It must be broken

For you, I've been trying to improve
Could I for you?
But that's the least I wanna do
Come through
Truth
Surrender everything I knew
Just to be open-through

For you, I've been trying to improve
Could I for you?
But that's the least I wanna do
Come through
Truth
Surrender everything I knew
Just to be open-through

For you, I've been trying to improve
Could I for you?
But that's the least I wanna do
Come through (I can't control it, I can't control it)
Truth (I can't control it, I can't control it)
Surrender everything I knew (I can't control it, I can't control it)
Just to be open-through (It keeps on going)
