

# Talk About It

Poppy

Tell 'em  
Hello, it's Poppy  
I am Poppy

Of all the things I love  
You're my number one  
But conversations stop before they even start  
It feels like pulling teeth and you're my cavity  
I don't know what you want  
So why can't we talk about it?

If we're both naked and afraid  
Why can't we talk about it?  
Stuck out here in the freezing rain  
Why can't we talk about it?  
I can't pretend that I'm okay  
You can't pretend you care  
If we only have ourselves to blame  
Why can't we talk about it?

Of all the things I hate  
You're still number one  
You're constantly away, I paint my nails alone  
So here we are again wrapped up in our heads  
I guess just forget it then  
If we can't talk about it

If we're both naked and afraid  
Why can't we talk about it?  
Stuck out here in the freezing rain  
Why can't we talk about it?  
I can't pretend that I'm okay  
You can't pretend you care  
If we only have ourselves to blame  
Why can't we talk about it?

I remember when you and I were friends  
You said that I meant everything to you (Ooh)  
I've tried to make it work but you were such a jerk  
Oh, why can't we just, just talk about it? (Uh)

If we're both naked and afraid  
Why can't we talk about it?  
Stuck out here in the freezing rain  
Why can't we talk about it?  
I can't pretend that I'm okay  
You can't pretend you care  
If we only have ourselves to blame  
Why can't we talk about it?
