Poppy

Ooh
Heavy!

I wanna love everyone
Empty every bullet out of every gun
Please take me back to where we began
Ba, ba, ba
Ba, ba, ba

Gimme, gimme bloody, please gimme bloody
Gimme, gimme bloody, please gimme bloody
You can get down on your knees if you're naughty
(You can get down on your knees if you're naughty)
Gimme, gimme bloody, please, gimme bloody
(Gimme, gimme bloody, please, gimme bloody)

Poetry, poetry, poetry
Ecstacy, ecstacy, ecstacy
Poetry, poetry, poetry
Ecstacy, ecstacy, ecstacy

Baby we can save the world
From every evil boy and dangerous girl
Please make me believe in harmony
Ba, ba, ba
Ba, ba, ba
Ba, ba, ba
Ba, ba, ba

Gimme, gimme bloody, please gimme bloody
Gimme, gimme bloody, please gimme bloody
You can get down on your knees if you're naughty
(You can get down on your knees if you're naughty)
Gimme, gimme bloody, please, gimme bloody
(Gimme, gimme bloody, please, gimme bloody)

I wanna love everyone
Empty every bullet out of every gun
Baby we can save the world
From every boy and every girl
Take me back
Take me back
Take me back to the place where we began
