

Comedown Song (Gunk)

Porches.

Julie's with the punks now
We're washing out a bit, out a bit
We just want the gunk sound
And I'm so out of it, out of it, out of it

Comedown, comedown, comedown
I promise it's safe if you comedown, comedown, comedown
I promise it's safe if you comedown

Do my little dust bow
I slowed it down a bit
Yeah I miss my guts now
Can you make me out of it, out of it, out of it?

Comedown, comedown, comedown
I promise it's safe if you comedown, comedown, comedown
I promise it's safe if you comedown

I can't wait till you get alone with me, alone with me, alone with me
I can't wait till you get alone with me, alone with me, alone with me

Comedown, comedown, comedown
I promise it's safe if you comedown, come down, comedown
I promise it's safe if you comedown, comedown, comedown, comedown
I promise to play if you comedown, comedown, comedown
I promise it's safe if you comedown
