Porches.

You look so pretty  
When you would love me  
Come in crooked teeth  
Hold me in my boyish emotions  
My boyish emotions

But now the moon girls

Talk to me  
And get off of my knees  
With my boyish emotions  
My boyish emotions

Come on put your coat on  
Where do you go  
Where do I go  
Maybe we'll let each other know  
About this pumpkin devotion
