**Porches.**

Celebrate life  
Celebrate death  
Celebrated all over your chest  
Celebrate the worst and then the best, yeah

Celebrate life  
Celebrate death  
Celebrated all over my chest  
Celebrate the worst and then the best, yeah  
The voices in my head, yeah  
And I watch you climb the fence, yeah  
Doesn't matter what you did, yeah

Now we're all alone
