```
My boat's capsyzed it's gonna sink to the bottom I can see the lights on the shore getting farther away I dont if I'll make home tonight But I know I can swim under the Tahitian moon
```

I came out here tonight to look for my friend I dont know if I'll ever get to see him again I dont know if I'll make home tonight But I know I can swim under the Tahitian moon One last time under the Tahitian moon

The sea is a very easy place to disappear To drift away, to fall asleep, or make your peace (make your peace)
