Porno For Pyros

Tonight, tonight  
It all began tonight  
I saw you and the world went away  
Tonight, tonight  
There's only you tonight  
What you are, what you do, like you say  
Tonight all day I had a feeling  
A miracle would happen  
I know now, I was right  
For here we are  
And what was just a world is a star  
Tonight, tonight, tonight  
Tonight all day I had a feeling  
A miracle would happen  
I know now, I was right  
For here we are  
And what was once world is a star  
Tonight, tonight, good night  
(Good night) Good night
