

Wind Tempos

Porter Robinson

It's so holy

It's so holy, it's so ho-, so holy, so holy
To point out you, to point out you, you
Dream of you, you

It's so holy, it's so ho-, so holy, so holy
To point out you, to point out you, you
Dream of you, you

To follow, dream

It's so holy, it's so ho-, so holy, so holy
To follow, dream of you

To follow, dream of you

To follow, dream of you

To follow, dream of you

To follow, dream

It's so holy, it's so ho-, so holy, so holy
To point out you, to point out you, you

It's so holy, it's so ho-, so holy, so holy
To follow, dream of you

To follow, dream of you

To follow, dream of you

To follow, dream of you

To follow, dream

It's so holy, it's so holy, holy, ho-

Out, out, out, out, out, out

Out, out, out, out, -ly

It's so, it's so holy, it's so holy, holy

It's so ho-, it's so holy, it's so holy
