

# Headin' For A Weddin'

Porter Wagoner

I'm a-headin' for a weddin'  
On the wings of sweet romance  
I'm a-lovin', turtle dovin'  
Since my heart has learned to dance  
I'm happy as a barefoot boy  
My brain is in a whirl  
My whole life is filled with joy  
Since I found that certain girl  
I'm wooin', feelin' cooin'  
And my heart is in a trance  
I'm a headin' for a weddin'  
On the wings of sweet romance

I'm beleeple, honey beeples  
And my heart is filled with song  
I'm a spoonin', honey moonin'  
And I know it won't be long  
I've lost my ship on that lover's sea  
I bought five number nines  
And from now on it's you and me  
And the sun will always shine  
I'm thrillin', Jack and Jillin'  
And my heart is in a trance  
I'm a headin' for a weddin'  
On the wings of sweet romance

I'm happy as a barefoot boy  
My brain is in a whirl  
My whole life is filled with joy  
Since I found that certain girl  
I'm wooin', feelin' cooin'  
And my heart is in a trance  
I'm a headin' for a weddin'
