

# I've Known You From Somewhere

Porter Wagoner

I've known you from somewhere  
Tell me where have we met  
I should have remembered  
How could I forget  
I thought as I kissed you  
I could hear your heart cry  
Please remember, remember, remember  
And don't ask me why

Please help me remember  
Did I meet you in May  
Was it June or December  
Or just yesterday  
Oh I've known you from somewhere  
So don't go away  
I'll need you tomorrow my darling  
Like I need you today

I've known you from somewhere  
But my memory's not clear  
Be patient my darling  
You know I'm sincere  
Oh I want to remember  
For your love's so divine  
And I know that I love you, I love you  
Oh won't you be mine
