

Billy and Jimmy gonna give me the spotlight  
While I peel my face off the floor  
Blessed in silence  
Waiting for more

Stand by me  
Stand by me  
Stand by me  
Stand by me

Killing the villain, gonna dance in the moonlight  
Injecting a spirit so pure  
Blessed in silence  
Waiting for more

Stand by me (Won't you stand by me?)  
Stand by me  
Stand by me  
Stand by me

Living to die  
Living to die

Turn off the light  
Break the key off in the door  
Our history of violence  
Is the prophet of war (Prophet of war)

Don't remind me (Of all my mistakes)  
Don't remind me  
Don't remind me (Oh, how my heart breaks)  
Don't remind me

Why am I fighting to live if I'm just living to fight?  
Why am I trying to see when there ain't nothing in sight?  
Why am I trying to give when no one gives me a try?  
Why am I dying to live if I'm just living to die?
