

## Heavy Games II

Portugal. The Man

Heavy games  
Can't take this back  
'Cause the present has a past  
Now I'm fucked up forever

You don't need a mathematician to show you the root  
But you're gonna face some competition to show me the proof  
Don't need philosophy to tell me what I need  
Open up your eyes and you'll see

Heavy games  
Can't take this back  
'Cause the present has a past  
Now I'm fucked up forever
