

# Abandoned

## Possessed

Armageddon  
The darkest evil this way comes  
Slaves to heaven  
Beating heart, the demon's drum

Satan's legions  
Rising up from the pits of hell  
Soulless seasons  
Revelation tolls the bell

We are abandoned  
Banished evil priests  
Summoned and branded  
Spreading our disease

Deserted and forsaken  
Left behind in the world alone  
The fire will awaken  
Until the prince of the night  
Will take me home  
Blood and crucifixion  
And in this holy hell I stand alone

Abandoned  
Abandoned  
Abandoned  
Abandoned

Abandoned  
Abandoned  
Abandoned  
Abandoned

This is the end for you  
This is the black room  
Where you can go and die  
The ancient ones have come for you  
Where angels never fly  
In the sanctums of the worm's embrace  
And his counterfeit kingdom of sin

Non-believer  
No belief in this world  
Or the world to come  
Grand deceiver  
Abandoned and hated by everyone
