Heretic

Possessed

It is thy heritage to rule the world,
Sent to defile from Belial.
Revelation unorthodox,
Atheistic is so mystic.

Fall to the abyss of Hell,
Only the weak will not rebel.
The prophecies that I will tell
Will make you sell your soul to hell.
(2nd verse – give your soul to sell.)

Tie the knot with Satan's twine,
Necronomicon will define...
To be immortal, desires of sin,
Secretly you hold within.

Rule the world with an iron fist,
Heavens above will not exist.
So foolish is your exorcist,
Don't deny my heretic.
