

Pie in the Sky

Post Animal

Great beauty, pie in the sky
Yours truly, light of my life
I miss you half of the day
Big cheddar lighting my way
So shine
Shine on me

She's lovely, she's number one
Straight shooter, lunar or bust
Big dreamer, pearl of the sky
This schemer in the star of my life
So shine, shine

Moony's on the rise
Hit me with your shine

The Sun hits me when I'm back in my home
Day sleeper, sleeping alone
Black magic, keep me alive
Just wake me when she's in the sky
So shine, shine on me

What's the matter with the bat in the cave?
Who's your buddy in the dark of the shade?
He's a bleeder, he's a snack for the soul, yeah
I'm a creeper with a heart made of gold
So shine, shine

Make me wanna sell my soul for just a bit of your shine
How my gonna fill this hole, if your heart ain't mine?
Tell me that it isn't true
Only in the night time I see you

Moony's on the rise
Hit me with your shine
