

# Setting Sun

Post Animal

I'm makin' it loud  
Hopin' that I could break through the silence  
Wanna let it out  
Like it's the last thing that I'll ever do

Keep kickin' the rocks out hard 'cause it moves me  
I need something to soothe me  
I need the real thing to set me free

I'm not scared to shed another layer, and I'll keep pushin' on  
Not gonna let another day go by without lookin' up

It's a setting sun  
Always movin', always changin', passin' by  
Like a setting sun  
Still burning, just around the other side  
It's a setting sun  
Always movin', always changin', passin' by  
Like a setting sun  
Still burning  
Yeah

Hit the gas, speed it up  
It's time to make up for the years spent idlin'  
Done givin' in  
And tryna be somebody I never knew

Not scared of the dark side, just of letting it all pass by  
I'm sheddin' again, just look up and see

Always movin', always changin', passin' by  
Like a setting sun  
Still burning, just around the other side  
It's a setting sun  
Always movin', always changin', passin' by  
Like a setting sun  
Still burning  
Still burning

It's a setting sun  
Always movin', always changin', passin' by  
Like a setting sun  
Still burning, just around the other side  
It's a setting sun  
Always movin', always changin', passin' by  
Like a setting sun  
Still burning  
Still burning
