

# No Option

Post Malone

Hoe, I'm so clean and motherfuckers just talkin'  
Show up at the spot and now everyone, they all watchin'  
Don't wanna prove you wrong but shit, you leave me with no option, yeah, yeah

Everybody asking "Post, when is the album droppin'?"  
Ever since the very first day at it, I been poppin'  
Don't wanna prove you wrong but shit, you leave me with no option, yeah, yeah  
Ooh, swingin' in a four-door  
Now they takin' photos  
Bottles, we need more of those, ooh  
Say she bring it a little shorter  
He be on the boarder  
She always bring four rolls, oh yeah  
Everything that I went for  
Waited so long to get on  
The Caddy just sits on the chrome  
I swang through on dubs on the four

Baby wanna get in this S-Class  
Lil' momma, she just wanna go fast  
You know, baby, you don't get a free pass  
So I told her "Ass, gas or grass"  
Rolex with the diamonds keep me shining  
Gotta have perfect timing when I'm riding  
Brand new Aston Martin with no mileage, ooh, ooh, ooh yeah

Hoe, I'm so clean and motherfuckers just talkin'  
Show up at the spot and now everyone, they all watchin'  
Don't wanna prove you wrong but shit, you leave me with no option, yeah, yeah

Less you hoppin' in a old-school  
Swimmin' in the car pool  
Everything is all cool  
And she told me not to tell  
With the rumors that I heard  
She said everything was all true

Baby, wanna get in this S-Class  
Lil' momma, she just wanna go fast  
You know, baby, you don't get a free pass  
So I told her "Ass, gas or grass"  
Rolex with the diamonds keep me shining  
Gotta have perfect timing when I'm riding  
Brand new Aston Martin with no mileage, ooh, ooh, ooh yeah

Just me and lil' momma, yeah  
Ridin' around LA  
Just me and lil' momma, yeah  
We run the city, yeah

Baby wanna get in this S-Class, lil mama she just wanna go fast  
You know baby you don't get a free pass, so I told her ass gas on grass  
Rolex with the diamonds keep me shining  
Gotta have perfect timing when I'm riding

Brand new Aston Martin with no mileage, oh oh oh yeah

So come hop in the coupe

What do you wanna do?

Put that dime in my coupe

With the gold on my tooth, oh yeah
