One Day

Potter Payper

One day, I'm a see a smile on my mums face
One day, all my real G's shoulda bust case
One day, I'm a get a jet up on the runway
One day, big house, there up on the hills, still
One day, my dad wants to see me, I might go
One day, feeling like my life only due to go
One way, then again it could all change fam
One day, my 3rd side killers ain't nothing like
One day, hit cunch Sunday, come back Sunday
You're living in a fairytale, your life's all fun-games
Karma's a bitch, still you find out one day
Fuck jail I ain't going back, not for one day
