

# Back Off Me

Pouya

Bitch back off of me  
Mack on my hip  
When I bust I'll turn you  
Obsolete  
Don't bother me  
iPhone buzz if I don't get it once  
What the fuck you think  
I'm not the type to think before I act  
You can buss a 1000 rounds I'm still intact
