

Don't Be A Hoe

Pouya

Don't be a hoe today, where is your momma?
Where is your daddy? They would be ashamed of you
Probly would hate me too, behave yourself, I know you can make
it through
Don't open your mouth today, don't pop that pussy today
Don't open your mouth today, don't pop that pussy today
Lil bitch

I fell in love with a lunatic, hop out the dealer
She spending my money on minivans
Dripped out the cut with a soccer mom, playing soccer, boppin',
bumpin' Waka Flocka
Put the pussy in a coma, what is that aroma?
Bitch, you smell like a dead rat
Can't put my lips on it
Got the grip on her hip full script of the anti
Fuck it I'm going in head first, beat from the back till yo ass
hurt
She keep a Plan B pill in her purse, and a switchblade under he
r skirt
She prepared for the worst, she will dance on your dirt if you
got murked with a Glock by the curb when not one word said afte
r that
So we fuck on your bitch then back to the track

Don't be a hoe today, where is your momma?
Where is your daddy? They would be ashamed of you
Probly would hate me too, behave yourself, I know you can make
it through
Don't open your mouth today, don't pop that pussy today
Don't open your mouth today, don't pop that pussy today
Lil bitch
