

# Not The One

Pouya

I'm not the one for none of that fuck shit  
One for none of that fuck shit  
One for none of that fuck shit  
One for none of that fuck shit [x4]

What you talkin 'bout? there's no competition  
You disqualified cause you been actin like some bitches  
Got your main hoe on the way to the studio, we finna make a hit  
and she gon hit the crew  
Treat the pussy like a football toss it got the bitch leaking l  
ike faucet left that [?] you inside of the house, come out the  
crib you not saying shit now [?] he laying you down, broke the  
xbox I'm not playing around, she loving my words my urban sound  
, got what I need stole the visa I'm out

I ain't never heard no one, nobody harder than me  
Catch me chillin feelin like a million riding the beat  
They been sleeping on me imma wake 'em up with the heat  
Slap my meat upon your face if you ain't fucking with me  
Like a bitch touching herself man imma always do me  
Droppin the drop top feeling the breeze she pray [?] now the bi  
tch on her knees yuh  
And I still can't stand 'em eat that box till I got no stamina  
if you my homie you really just family, I know these rappers ca  
n't stand me yuh

I'm not the one for none of that fuck shit  
One for none of that fuck shit  
One for none of that fuck shit  
One for none of that fuck shit [x4]

Flawda boy till the death of me yuh  
Cooking these rappers up, no recipe yuh  
Insanity flowing thru my brain once the money start to coming i  
n the people start to change  
And I'm clutch every corner yeah I'm cold like the pole, only 1  
9 but my bitch is way older, ain't gon repeat what I already to  
ld ya talkin that shit that imma call up my soldiers lazyboys k  
now we done fold up, Texas style when I hold them legs all up o  
n my shoulder yuh  
I told ya now she off the soda telling me I own her  
Now I actin like I don't know her stole her rover pick the homi  
e up  
Ridin pass all these lames tryinna merge in my lane  
Got no time for your mane and that bogus shit you claim  
Give me the green and there's really no stopping me  
Baby bone nasty but fuck your bitch properly  
Tired of sinning and living in the poverty

Lay in the sun and you still won't be hot as me  
Gotta do me even tho that you copying me  
Stealing my style you committing a robbery but it's all good ca  
use I got your bitch topping me you better believe that she doi  
ng it sloppy

I'm not the one for none of that fuck shit  
One for none of that fuck shit  
One for none of that fuck shit  
One for none of that fuck shit [x4]
