

ROT

Pouya

When my time comes, let me leave all behind but six to carry me and the love
that lightened my load along the way

I'm gettin' sick of my ways
Sit in my room and just suffer for days
I don't remember the sun, the moon is the only one seeing my face
I know I'm going through things
Wondering when will I get out this phase
Every day runnin' away from my grave
Every day stuck in a maze
Where do I go? How will I end up? When will the devil surrender?
I feel the weight on my shoulders
I'm back on a binge, yeah, I'm back on a bender
Starin' out my window counting the raindrops as they fall
The [?] is laughing at me as I lose myself, I feel my brain rot

Rot, rot, rot
I can feel my brain
Rot, rot, rot
I can feel my brain
Rot, rot, rot
I can feel my brain
Rot, rot, rot
I can feel my-

Baby can you save me from myself
'Cause I've been waiting for someone to come around and get me high
I know that you said this was forever
But I looked you in your eyes and I can tell it was a lie
Don't be lookin' at me crazy when I tell you that you made me go insane
You made me lose my mind
I don't need a conversation
Baby nothing that you say to me
Gon' stop you from becoming my kryptonite
Yeah

Rot, rot, rot
I can feel my brain
Rot, rot, rot
I can feel my brain
Rot, rot, rot
I can feel my brain
Rot, rot, rot
I can feel my-
Yeah

Rot, rot, rot
Rot, rot, rot
Rot, rot, rot
Rot, rot, rot
I can feel my brain
