

Seen It All Before

Pouya

Tried to tell you
Got some demons of my own
Witness your madness
Tell me you've seen it all before
Ooh, ooh-ooh
Hope I can find you on my own
Ooh, ooh-ooh
Feel like I've seen it all before

I'm dead now I need a witness
Left me in the trenches
Jumping over bridges
Stuck me with a sickness
You are the remedy
For every evil thing in front of me
My peace of mind, my serenity
So tell me how we became enemies
I'm sick of the way you been treating me lately
But I'm so in love, it's not much that can phase me
Floating above the pavement
Don't bring me down to safety
The only thing that can save me
Is the only person who can tame me
I'm living my life in a cycle
Going psycho knowing you might go

Ooh, ooh-ooh (Feel like I've seen it all before)
Ooh, ooh-ooh

Tried to tell you
Got some demons of my own
Witness your madness
Tell me you've seen it all before
Ooh, ooh-ooh
Hope I can find you on my own
Ooh, ooh-ooh
Feel like I've seen it all before

Tried to tell you
Got some demons of my own
Witness your madness
Tell me you've seen it all before
Ooh, ooh-ooh
Hope I can find you on my own
Ooh, ooh-ooh
Feel like I've seen it all before
