

## Serpent

Pouya

Woke up feeling like a burden  
Crawling back in my shell like a hermit (yuh)  
Snakes in the grass, and I'm a serpent  
Ducking and swerving, enemies lurking (yuh)  
Baby Bone so homegrown, yeah, I did it on my own  
I hate to say I love the way they'll treat me when I'm gone  
Woke up feeling like a burden  
Crawling back in my shell like a hermit (yuh)  
Snakes in the grass, and I'm a serpent  
Ducking and swerving, enemies lurking (yuh)  
Baby Bone so homegrown, yeah, I did it on my own  
I hate to say I love the way they'll treat me when I'm gone

I'm always by myself  
I barely leave my home  
I never pick up my phone  
I fell in love with my thoughts  
The drop top make a ho gawk  
But it make a fuckboy plot  
On my soul, never fold, I've been told so many times  
That I'm worthless, I've been sewn  
All these shones at my shows  
Give me head, but they can't stimulate my dome  
Never know where you'll go when you die  
Will I fly with the angels or fry?  
See my grandfather and live in the sky?  
Or turn to black and fade into the night?

Woke up feeling like a burden  
Crawling back in my shell like a hermit (yuh)  
Snakes in the grass, and I'm a serpent  
Ducking and swerving, enemies lurking (yuh)  
Baby Bone so homegrown, yeah, I did it on my own  
I hate to say I love the way they'll treat me when I'm gone  
Woke up feeling like a burden  
Crawling back in my shell like a hermit (yuh)  
Snakes in the grass, and I'm a serpent  
Ducking and swerving, enemies lurking (yuh)  
Baby Bone so homegrown, yeah, I did it on my own  
I hate to say I love the way they'll treat me when I'm gone

Chasing purses, ducking hearses  
One life and a reimbursement  
Woke up looking for a purpose, skip the Percocet  
Try to get through the day the best you can  
Ho's on-demand, made me feel like the man  
Can't understand what I can't understand  
I know that I need that advance in my hand

Woke up feeling like a burden  
Crawling back in my shell like a hermit (yuh)  
Snakes in the grass, and I'm a serpent  
Ducking and swerving, enemies lurking (yuh)  
Baby Bone so homegrown, yeah, I did it on my own  
I hate to say I love the way they'll treat me when I'm gone
