Pouya

She lay on my bed
Thoughts running through my head
I wanna see this bitch leg's spread
I wanna beat her till that bitch start to beg

She love when I'm in but she hate when I'm out
With other bitches she know I'm a stunna
Blowin up my phone I'm about to change my fucking number
I taking yo shit, ho leave it for the plunger
Pussy looking like it came out of tumblr
Bust on her face, always keep the sheets clean
Still not the one for talking I just pull up to the scene
But really there's no problem 'cause I always keep it G
You thinking about your ho, but she worrying bout me

She lay on my bed
Thoughts running through my head
I wanna see this bitch leg's spread
I wanna beat her till that bitch start to beg

She lay on my bed
Thoughts running through my head
I wanna see this bitch leg's spread
I wanna beat her till that bitch start to beg

She lay on my bed
Thoughts running through my head
I wanna see this bitch leg's spread

Let me do what I do, don't be mad 'cause them bitches ain't fuckin with you
Spread your legs like butter let me see what you do
I can't believe what I'm seeing, man I'm loving the view
No complaints when I tell her I'm a pass her to the crew
She already knew the play like the coach's do
Hater's creepin' in the shower like the roaches do
Get that money that's what I have to do, bitch

She lay on my bed
Thoughts running through my head

I wanna see this bitch leg's spread
I wanna beat her till that bitch start to beg

She lay on my bed
Thoughts running through my head
I wanna see this bitch leg's spread
I wanna beat her till that bitch start to beg
