Bye-bye, bye-bye

Wrong place at the right time  
I've been runnin' late but I'm on time  
I've been, right place at the wrong time  
I've been runnin' late but I'm on time  
I've been, wrong place at the right time  
I've been runnin' late but I'm on time

Three hundred ways to break my heart, leave me to need a donor  
And bitch, I've never been a sucker but I let you under  
My skin again, I can't believe I put myself in this position  
Didn't trust my intuition, couldn't see the mission, now it's the
