Darling, be my Valentine
I want to be clear
Why it has to be you
Darling, be my Valentine
Until our next lives
Be my love and stay with me
Darling, be my

Every moment I breathe
Feels like a love confession to you, ayy
I see my reflection in your eyes
Looking like I'm on top of the world, ayy
I'll bring you flowers
Cheeks blush like cotton candy
You're my eternal spring breeze
Leave your ring finger for me
You're all I need
You're all I need
As long as you know that
As long as you know, yeah

Any second I get
I fall for you
Where your gaze lingers
I'll be standing there

Darling, be my Valentine
I want to be clear
Why it has to be you
Darling, be my Valentine
Until our next lives
Be my love and stay with me
Darling, be my

I'll gather all my vulnerable emotions
To place inside your warm hands (Yeah)
My universe brims with you
If this is a sweet dream, don't wake me up

Any second I get
I fall for you
Where your gaze lingers
I'll be standing there
