

The light around me turns to grey  
I`m falling  
Memories of yesterday  
Recalling

Something`s changed but I don`t know why  
And I don`t know where I should turn  
Re-arranged all the sands of time  
Blood in my veins stars to burn.

Soulfire, burning forever  
Soulfire, a flame in the night  
Guiding the way like a lamp in the darkness  
Soulfire always burns in sacred light.

See the remnants of forgotten dreams  
Evolving  
Places I was sure that I had been  
Dissolving
