

Candy-O

Powerman 5000

Candy-O, I need you
Sunday dress, ruby ring
Candy-O, I need you so
Could you help me in?

Purple hum, assorted cards
Razor lights you bring and all to prove
You're on the move and vanishing
Candy-O, I need you so

The edge of night distract yourself
Obstacles don't work
Homogenize, decentralize
It's just a quirk

Different ways to see you through
All the same in the end, peculiar star
That's who you are, do you have to win?
Candy-O, I need you so
