

# VHS

Powerman 5000

Let's rewind like a VHS  
Turn back the time, feel the beat in our chest  
Make sure that we never forget  
Let's rewind like a VHS

VHS, VHS  
Let's rewind like a VHS  
VHS, VHS  
Let's rewind like a VHS

Let's concede that we want to believe  
That the past was only a dream  
Just a place that we never could leave  
Follows us on the way to retrieve

VHS, VHS  
Let's rewind like a VHS  
VHS, VHS  
Let's rewind like a VHS

Let's rewind like a VHS  
Turn back the time, feel the beat in our chest  
Make sure that we never forget  
Let's rewind like a VHS

VHS, VHS  
Let's rewind like a VHS  
VHS, VHS  
Let's rewind like a VHS

Let's concede that we want to believe  
That the past was only a dream  
Just a place that we never could leave  
Follows us on the way to retrieve

VHS, VHS  
Let's rewind like a VHS  
VHS, VHS  
Let's rewind like a VHS
