

Gimme Some

Powers

If your love don't work
Try again
If your love don't work
Go try again
If your love don't work
Go call a friend
If your love don't work
Go, go, and go again

Sometimes I feel was made so different
Sometimes I feel, I feel nothing at all
Sometimes I feel that this boat is chippin'
Oh, I'm in need of relief when I fall
Just some belief in it all

Hey-ye, hey-eh-ey, everyone
Today-ye, ay-ye-ay we own the sun
Tonight is almost done
Baby, you love to dance
Come on and gimme some
Come on and gimme some
Come on and gimme some
Come on and gimme some, gimme some, gimme some

If your love don't work
Try again
If your love don't work
Go, go, and go again

Sometimes I feel that the bad guy's winnin'
Sometimes I feel, you feel nothing at all, no
Sometimes I feel something real is missing
So won't you please rescue me when I call?
Yeah, rescue me when I call

Hey-ey, ay-ye-ay, everyone
Today-ay, ay-ye-ay we own the sun
Tonight is almost done
Baby, you love to dance
Come on and gimme some
Come on and

Hey-ey, ay-ye-ay, everyone
Today-ay, ay-ye-ay we own the sun
Tonight is almost done
Baby, you love to dance
Come on and gimme some
Come on and gimme some
Come on and gimme some
Come on and gimme some, gimme some, gimme some

Gimme some
Come on and gimme some
Come on and gimme some, gimme some, gimme some
