

Power to the people  
Who keep on keep, keeping on  
The pushes of the needle  
Will light the fire inside the sun  
The laws of lasting evil  
The light of doubt are almost done [?]  
Yeah, for ordinary people  
Yeah you and me, are living on

I'm so, I'm so hot  
Can't touch me baby  
I'm so, I'm so hot  
Can't touch me baby

Power to believers  
Who got belief inside their eyes  
Cause hell's underneath us  
Knowing the devil's in your mind  
Playing for keepers  
Yeah, every time you roll the dice  
Yes, to all non-believers  
You best believe before you die

I'm so, I'm so hot  
Can't touch me baby  
I'm so, I'm so hot  
Can't touch me baby

Oh it's a very special feeling  
The kind that you didn't even know you need  
And ain't nobody gonna steal it  
Cause we're giving it away for free  
Oh it's a very special feeling  
The kind you always thought was make believe  
Yeah we're giving it away for free  
And we will never stop

I'm so, I'm so hot  
Can't touch me baby  
I'm so, I'm so hot  
Can't touch me baby
