

Kiss of the Cobra King 2019

Powerwolf

Deus Rex Cobra

I pray to Heaven that we don't wake the Cobra tonight
And I say a prayer when we call for the blood of the wild
This time in the venom of the Cobra lies the might
Deus in serpens nomen, all we die

Wooh, this is the kiss of the Cobra King
Wooh, this is the kiss of the Cobra
Wooh, this is the kiss of the Cobra King
Wooh, this is the kiss of the Cobra

I pray to Heaven we escape from the poison in veins
And I bring a sacrifice before the light of dawn will invade
This night when in a bite of the Cobra lies the might
Deus in serpens nomen, all we die

Wooh, this is the kiss of the Cobra King
Wooh, this is the kiss of the Cobra
Wooh, this is the kiss of the Cobra King
Wooh, this is the kiss of the Cobra

Deus Rex Cobra
