

Evil in Me

Powerworld

Verse 1:

I lived my life like there's no tomorrow,
can't deny my deeds.
Never felt any pain or sorrow,
only souls that bleed.

Pre-Chorus:

End of days, I'm walking alone my road.
No one prays for my shattered soul,
ohh, what did I do.

Chorus:

No way back to loosen the ties.
I am the evil.
No way to recover my crimes,
I'm bound to the evil in me.

Verse 2:

What you see ain't what you get,
I sure do feel regret.
I know it looks like I'd bide my time,
in truth I suffer and sweat.

Pre-Chorus:

End of days, I see I've lost control.
Final haze, I'm ready to burn my soul,
ohh, look what I've done.

Chorus:

No way back to loosen the ties.
I am the evil.
No way to recover my crimes,
I'm bound to the evil in me.

Repeat

Solo

No way back to loosen the ties.
I am the evil.

I'm bound to the evil in me.

I'm bound to the evil.
I'm evil, so evil.
