

Mind your manners  
We be sipping Kool-Aid Jammers  
And after we go turn the party a disaster, imagine  
All these girls up on me, no reaction, splashin'  
Camera, lights, action, mind your manners  
We be sipping Kool-Aid Jammers  
And after we go turn the party a disaster, imagine  
All these girls up on me no reaction, splashin'  
Watch me blow up with no captions

They takin' pics, I don't respond  
People hatin' me for no reason  
Got one life with no respawn  
Like Lil Nas I might yee-haw

Blow up with no captions  
Jumpin' in, I don't care what happens (What happens)  
I've got enough, I don't need more practice (More practice)  
All the kids tryna cop my fashion (My fashion)

Mind your manners  
We be sipping Kool-Aid Jammers  
And after we go turn the party a disaster, imagine  
All these girls up on me, no reaction, splashin'  
Camera, lights, action, mind your manners

I've been in my own world, way above the average  
Watch me blow up with no captions  
Watch me blow up with no-  
Yeah, throw it up, I might catch it in the end zone  
Finna pop like coke with the mentos  
Italiano, mamacita makin' pesto  
I'm about to spill the tea, what's a red code

Mind your manners  
We be sipping Kool-Aid Jammers  
And after we go turn the party a disaster, imagine  
All these girls up on me, no reaction
