

Sorry I Never Apologized

Powfu

I don't know, that's a really good question
'Cause I've been driving myself insane
Making a complete ass of myself
Literally trying everything possible to try to save what we have
And you've be throwing yourself at Jeremy
That's not fair
It's not fair?
I see the way you look at him
I know 'cause you used to look me that way
Leo I-
No, I think we just have to start to be realistic
The fact is that I'm still just a stranger
I'm not trying to hurt you

Misery

Stuck inside space and time
Feels like I'm dead inside
Nobody even looks at me
They all just walk on by
Stuck inside space and time
All that I got is you on mind
Tears filling up my eyes
Sorry I never apologized

Rain falling bringing back memories
Everyday I would walk you home
Held you close so your hands don't freeze
Sweet talking, we would share all our thoughts
The first time that you met my Mom
Kept telling you to just stay calm
I miss your hands in my pockets
Those warm nights on your lawn, star watching
Please come back to me
I don't wanna do this anymore
I just wanna be
Like we were before

Stuck inside space and time
Feels like I'm dead inside
Nobody even looks at me
They all just walk on by
Stuck inside space and time
All that I got is you on mind
Tears filling up my eyes
Sorry I never apologized
Stuck inside space and time
Feels like I'm dead inside
Nobody even looks at me
They all just walk on by
Stuck inside space and time
All that I got is you on mind
Tears filling up my eyes
Sorry I never apologized

I thought you loved me
You were my only

Come back and hold me
Delete my soul please
I know beloved see
Without you lonely
Cut slack, control me
Knife greeting me slowly
Stuck inside space and time
No one left but you on mind
Look up at the stars and they all aligned
Remember how we used to fly
Never will I let you go
Don't wanna know, life wouldn't show
Come on girl just take me home
We've waited for this time so long

Stuck inside space and time
Feels like I'm dead inside
Nobody even looks at me
They all just walk on by
Stuck inside space and time
All that I got is you on mind
Tears filling up my eyes
Sorry I never apologized
Stuck inside space and time
Feels like I'm dead inside
Nobody even looks at me
They all just walk on by
Stuck inside space and time
All that I got is you on mind
Tears filling up my eyes
Sorry I never apologized
