

## under your wing

Powfu

I'm nowhere close to perfect, but I'm growing close to You  
Faced with the lions, standing in my room  
I'm bad at making choices, so I'll hand it all to You  
Father, bring the water that'll make me bloom

When I'm faced with fear, oh, I'll let You steer  
I'll follow You, I'll follow You, I'll follow You, oh  
When my path's unclear, oh, I'll let You steer  
I'll follow You, I'll follow You, it's in Your hands

Here I will sing, under Your wing  
Sit in Your presence and worship  
Here I will sing, under Your wing  
Sit in Your presence and worship

I'm nowhere close to perfect, I know that's what You planned  
Father, give me guidance to the Promised Land  
I'm better off besides You  
When I'm walking in Your steps, know that You're still working  
I wanna see what's next

When I'm faced with fear, oh, I'll let You steer  
I'll follow You, I'll follow You, I'll follow You, oh  
When my path's unclear, oh, I'll let You steer  
I'll follow You, I'll follow You, it's in Your hands

Here I will sing, under Your wing  
Sit in Your presence and worship  
Here I will sing, under Your wing  
Sit in Your presence and worship

It's who You are, not who I am  
All Your love for me is greater than my sin  
It's who You are, not who I am  
All Your love for me is greater than my sin  
It's who You are, not who I am  
All Your love for me is greater than my sin  
It's who You are, not who I am  
All Your love for me is greater than my sin

Here I will sing, under Your wing  
Sit in Your presence and worship  
Here I will sing, under Your wing  
Sit in Your presence and worship  
Here I will sing, under Your wing  
(It's who You are, not who I am)  
Sit in Your presence and worship
