

It's My Party

Preluders

Nobody knows where my johnny has gone,
but judy left the same time.
why was he holdin her hand
when hes supposed to be mine?

Its my party and i'll cry if I want to,
Cry if want to
Cry if want to
You would cry too,if it happened to you

Play all my records, keep dancing all night,
But leave me alone for awhile
Till Johnnys dancing with me
Ive got no reason to smile.

Its my party and i'll cry if I want to,
Cry if want to
Cry if want to
You would cry too,if it happened to you

Judy and Johnny just walked through the door
Like a queen with her king.
Oh what a brithay surprise,
Judys wearing his ring.

Its my party and i'll cry if I want to,
Cry if want to
Cry if want to
You would cry too,if it happened to you

Oh, Its my party and i'll cry if I want to,
Cry if want to
Cry if want to
You would cry too,if it happened to you.(fade)
