Give It All

Into your arms I fall
When my faith is too weak
In your midst I'm still
When I'm silent you speak
A million times I fail
Still your mercy has come
For me.
And every word I lost
Every breath you redeemed
It's as simple as this
Your great love set me free
A million times I run
Still your mercy has come
For me.

I give it all to you
Everything that I am
I give my heart to stand
On the promise you made me
I give my life to serve
Everything that I have
The pain has been taken
The chains have been broken
Now I'm free, I'm free!

You have pulled me close
From the distance I made
You have spoken dreams
To the depths where I lay
You have called my name
And your mercy has come
For me.

I give it all to you
Everything that I am
I give my heart to stand
On the promise you made me
I give my life to serve
Everything that I have
The pain has been taken
The chains have been broken
Now I'm free, I'm free!

What can wash away my sin?
Nothing but the blood of Jesus
What can make me whole again?
Nothing but the blood of Jesus
Nothing but the blood of Jesus!
