

# Diamonds Dancin

Pressa

She so beautiful, but she dancin with with her heels on  
She got me in her mouth, like I'm checking if the pills gone  
She a lil hoe, but she ride until the wheels gone  
My neck cold like penguins, diamonds look like neon  
Diamonds diamonds dancin, so she continue dancin  
All she ever wanted wrap her money in elastic  
Diamonds diamonds dancin, so she continue dancin  
All she ever wanted wrap her money in elastic

Got her throwin threes, she know one thing get to me  
She might go and fuck that nigga just to find my enemies  
Spoil her like Hillary, broke her down like broke a Z  
She might play my own niggas to see if they on a scheme  
Armani I'm Press machine, Wassi dance I'm pressing keys  
It get deep just like the deep end, can't sing like the Weeknd  
My block a bloody sea, but that's c'est la vie  
He trust her like Eazy-E, but she gave him STDs  
She party every day, but she can't wait till the weekend  
Pressa got her leakin, lean and molly tweakin  
She turn up just for me, she pop pills no T3  
I've been in the trap for weeks, she been dancin all week

She so beautiful, but she dancin with with her heels on  
She got me in her mouth, like I'm checking if the pills gone  
She a lil hoe, but she ride until the wheels gone  
My neck cold like penguins, diamonds look like neon  
Diamonds diamonds dancin, so she continue dancin  
All she ever wanted wrap her money in elastic  
Diamonds diamonds dancin, so she continue dancin  
All she ever wanted wrap her money in elastic

I gotta have that bitch cause she ring so much bells  
She tell niggas that she free, but we keep it on the Ls  
She spent 30 on a car, she spent 5 racks on her couch  
She said course boy you gon make it, but only time can tell  
And my block roll like a lace, A  
And we can move to ATL like Ronnie and Caine  
I got money on the way, broke boys scare money away  
I been trappin all night, after trappin all day  
I'm a certified nigga, if a nigga die today  
I hate niggas that wann' party, but never try to pay  
Never had my hand out, cause a nigga self made  
And I don't know these niggas, but somehow they know my name aye

She so beautiful, but she dancin with with her heels on  
She got me in her mouth, like I'm checking if the pills gone  
She a lil hoe, but she ride until the wheels gone  
My neck cold like penguins, diamonds look like neon  
Diamonds diamonds dancin, so she continue dancin  
All she ever wanted wrap her money in elastic  
Diamonds diamonds dancin, so she continue dancin  
All she ever wanted wrap her money in elastic
