

I used to try to hear them out  
It never really added up  
They don't know I murder shit  
Young nigga from Canada  
I get 'em gone for the free, free  
Don't need to drop bags, naw  
Stay with a demon like Dracula  
Stay with a demon like Dracula  
Got a quarter million in jewelry  
And niggas ain't staining shit  
He ain't come outside in 2-4 hours we still wait for him  
He seen niggas jump out the car but it's too late for him  
That nigga Sizzlac dead plus he a rat niggas still praising him  
Every single Wass around me has got a buss down  
I hang with Somali niggas, hoyatha wuss now  
Bitch, I hit that gas every time I put my foot down  
I come from the trap house  
Sleeping on trap couches  
I'm from that trap house  
I'm from that trap house  
I'm from that trap house  
These bullets lash out and push his head back Mr. Trap house  
He turn around we tear his back off  
300 for a hunnid pounds of gas route  
Bitch  
Diamonds dancing see jewelry nasty back to Miami  
Slatty in the taxi breaking the pantry  
Wild boy in the wildly and in all telly's  
Counting mayor cheese and counting my niggas into the family

Count up the hunnids and go  
I got no love I can't fuck with you niggas  
I hop in a foreign and push it to the limit  
My cup a lil' muddy I'm sippin' on tinted  
My niggas with me they know  
Pressa gon' flip up the foreign  
Got bricks in the cut for the bag I'ma get it  
They know how we do for the bag I'ma spend it

I got my niggas at south side run a mission we did it in no time  
I got my goon from the north side front a pack and he did it no co-sign  
Talk about get it you see how we living  
You know that we spend it and get this shit back  
Pull up on Haitians my niggas'll get you I don't gotta say that shit been a fact

There was the days I was stuck in the back  
Pocket was empty I move for the cheque  
Pocket was empty I flexed up the racks  
I hit the stages and they cut me a cheque  
Now she wanna fuck with no strings attached  
I got them diamonds they flash on my neck  
Know what I do for the gang that I rep  
I want the money don't care about respect

I got my niggas at south side run a mission we did it in no time  
I got my goon from the north side front a pack and he did it no co-sign

Talk about get it you see how we living  
You know that we spend it and get this shit back  
Pull up on Haitians my niggas'll get you I don't gotta say that shit been a  
fact
