

Dragon

Pressa

So what?

These niggas want to kill me and what?

I dip for bro why these niggas say i'm snakey if [?]

These niggas selfish ask 'em what they doing for me and

If it's for brodie don't put anything before me and

They slid on me and got hit by my dragon init

That's my dawg and that's my snakey and that's my dragon init

That thirty clip in the Glock it start dragging in

He lost his temper like a dragon started firing

Aye, what you do for the gang

Heard your packs selling sissy lane

Heard shots you got in your mag and

Aye, aye, aye, aye

Fuck your big homie and fuck a opp

Told my youngin go circle the block

I cannot pebbles and rocks

I only think 'bout ho's

And I only spend on clothes

And I only [?]

This money, plenty of rack

She really gang 'cause plenty of rack

She in the field 'cause plenty of traps and

Money your hand

Where i'm from you get your money flat

And I don't got a problem with cash

Last problem got solved like magic

Turn myself from boy to a man

Turn myself from boy to a man

Shoot my gun like clank, clank, clank

Aye, we not shooting like dominoes

We not shooting we got to go

These opp niggas they got to go

Never broke the Wassa code

That's my dragon, ho

That's my dragon and he flammable

They slid on me and got hit by my dragon init

That's my dawg and that's my snakey and that's my dragon init

That thirty clip in the Glock it start dragging in

He lost his temper like a dragon started firing

They slid on me and got hit by my dragon init

That's my dawg and that's my snakey and that's my dragon init

That thirty clip in the Glock it start dragging in

He lost his temper like a dragon started firing

Aye, uh, got to stay ahead of the game

My druggy ain't ready for flame

My O, my eight

My coke, still peng

My forces, cocaine

Plug threw it up on face

I used to trap at Dave's and

I'll do it again

Glock at the back of the Benz and

Fell in love with the ice
'cause a nigga really came from an age and
You know how it go, get money if you not on parole and
I ain't need shit, I swear all I need was dope and
Mercedes coupe, I fell off the roof
Block boy, play your block teach a lil' nigga how to shoot and
Back to the hood 'cause that's the only place we knew and
I'd hate me too, made noise like run the tune and
My diamonds flossed, I got the wauce
Look at my watch, look like a clock
We get it off, Pressa escobar, aye
They say we are them play against the odds and
Fuck a opp, my opps they scared, they soft and
Fuck your brick, fuck a plug I need a socket
Fuck a snake, fuck a bird, fuck your closet
My drink got blood on his clothes he should play for Rockets

They slid on me and got hit by my dragon init
That's my dawg and that's my snakey and that's my dragon init
That thirty clip in the Glock it start dragging in
He lost his temper like a dragon started firing

They slid on me and got hit by my dragon init
That's my dawg and that's my snakey and that's my dragon init
That thirty clip in the Glock it start dragging in
He lost his temper like a dragon started firing
