

Hood Down

Pressa

I'm getting money now I'm good now
They gone say some shit like I left the hood now
I pull up in a Ghost and shut the hood down
My niggas keep on telling me I don't need to drill now, yeah
I told my lil nigga keep your hood down
It takes hella lotta strength to hold the hood down
If niggas didn't bitch up then they would now
Cause this glizzy in his face'll take his face, yeah

This glizzy in his face could take his face in, I know some shoo
ters for the free that'll make your face lift
And on my block there ain't no fed participation, how you bitch
ing up from interrogation
Misbehaving, dodged year long investigation, fuck raving OT 'n
back with a pack I'm money chasing
Big bro's telling me that I don't need to drill now, telling me
just go and write a Hook down
So ima teach lil bronem how to go and cook now, I can't be bump
ing all these niggas with the same sound
Spinning this trey pound, come from the North don't play 'round
Hopping on the greyhound, watch custy's getting scraped now

I'm getting money now I'm good now
They gone say some shit like I left the hood now
I pull up in a Ghost and shut the hood down
My niggas keep on telling me I don't need to drill now, yeah
I told my lil nigga keep your hood down
It takes hella lotta strength to hold the hood down
If niggas didn't bitch up then they would now
Cause this glizzy in his face'll take his face, yeah

I told my niggas man we good now, it take hella lotta strength
to hold the hood down
Broski told me check the box, he said we good now
We be gunning from the sunup 'till the sundown, we the younging
's on the block man
You don't wanna see them younging's at your top man
And you know it's anything for bronem, did a lotta shit with br
onem
And if a nigga disrespecting then we on it, Pressa pulled up in
a Ghost and shut the hood down
Smoking on that deadmi yeah that good loud and if some niggas p
ull up it's gone be a drill now, yeah

I'm getting money now I'm good now
They gone say some shit like I left the hood now
I pull up in a Ghost and shut the hood down
My niggas keep on telling me I don't need to drill now, yeah

I told my lil nigga keep your hood down
