

Minimum Wage

Pressa

Ah

"You don't know how it feel to be locked in the the cage and run out of numbers to dial

I'm from the dirt like the tiles"

Press

Ye

Whoa

"Money well spent"

I can't go back to no minimum wage

I rather hustle for mine everyday

Taking the chances and dodging the case

I'm tryinna stack it and stuff up the safe

I can't go back to the back of the back

Unless it's back of the bach and I'm having my way

I can't go back to the back to the back to the back to the back to no minimum wage

I come from dodging the pot hole

Throw pounds in the air like he ralo

Can't make 'em pull up and out me

So I keep it on me like narcos

I can't be dealing wit bitches that keep getting jealous complain bout my side hoe

I'm drippin casa the blanco

Pull up to the club in a Tahoe

U don't know how it feel to be locked in the cage and run out of numbers to dial

Rolex buggette the dial

He lost his life he went viral

I come from the floor ya the tial

See ima just lead never follow

He snake my gun then we fall out

I hit the beat pour my heart out

I can't go back to the bottom

I can't go back to no minimum wage

I rather hustle for mine everyday

Taking the chances and dodging the case

I'm tryinna stack it and stuff up the safe

I can't go back to the back of the back

Unless it's back of the bach and I'm having my way

I can't go back to the back to the back to the back to the back to no minimum wage

I'm from the place where they shoot you like Zimmerman

You catch a body it make you a bigger man

He pop a pill now the pill it start kicking in

He start spinnin shit just like the ceiling fan

I got like 2 or 3 guns in my Crib you better think twice tryna run up in my home

Fucking with me better get you a bible

I'm tryinna ball just like the finals

I'm getting money I'm puttin it up and I on need love I stop giving a fuck

I'm in the trap 30 days in the month I talk to my junkie he crackin me up

She all on google she lookin me up
They remember my face when they look at me once
They keep on claiming shit they never done
But they not the problem I figured it's us

I can't go back to no minimum wage
I rather hustle for mine everyday
Taking the chances and dodging the case
I'm tryinna stack it and stuff up the safe
I can't go back to the back of the back
Unless it's back of the bach and I'm having my way
I can't go back to the back to the back to the back to the back to no minimum wage
